Every effort for excellence in pharmacy education

PROSPECTUS

BAPUJI EDUCATIONAL ASSOCIATION (R.)

BAPUJI PHARMACY COLLEGE

DAVANAGERE – 577004, KARNATAKA, INDIA.

RECOGNISED BY PCI, RGUHS, & GOK

ABOUT DAVANGERE

Davangere is located in the heart of Karnataka on National Highway 48 in India. Since August 15, 1997, it has served as the District Headquarters, with a vibrant population exceeding 600,000. Once known as "The Manchester of Karnataka" for its blooming textile industry, Davangere has now earned the prestigious title "The Oxford of Karnataka, " largely due to the growth of the Bapuji Educational Association. This expansion has helped revitalize the city. Besides the institutions under Bapuji Educational Association, there are numerous government and private schools and colleges that cater to students from across Karnataka, other states, and abroad.

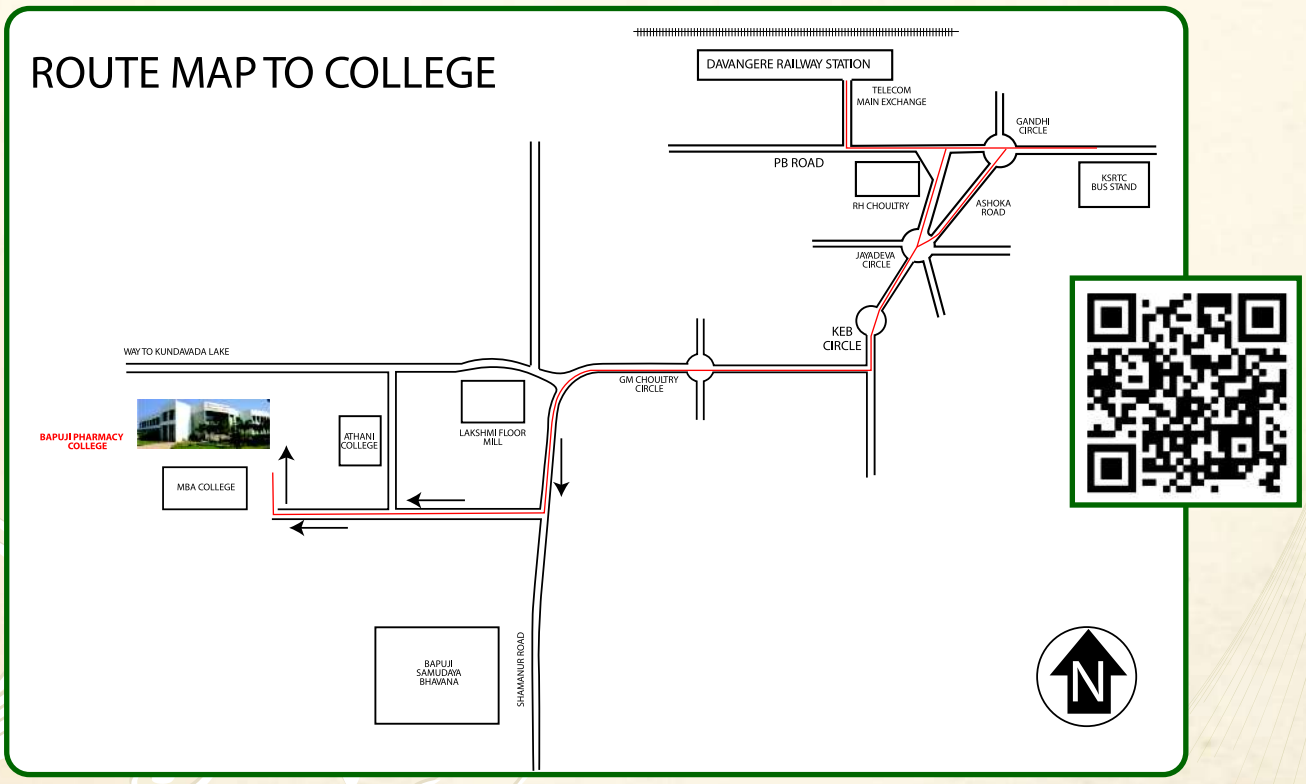

Davangere is renowned for being a convenient, safe, and pleasant city to live in. As an educational hub, it offers a wide range of institutions across diverse fields, making it an ideal destination for students. The city combines the urban amenities with the charm of a smaller town. Davangere boasts modern infrastructure, robust communication networks, and ample entertainment options. English and Hindi are widely understood, making the city accessible to visitors from different regions. As part of the Government of India's "Smart Cities Mission", Davangere has been developed as a model city.

Davangere is well-connected to the rest of the country through different ways :

By Train : Direct services connect Davangere to major cities across India, Including Bangalore, Mumbai, Thiruvananthapuram, and Delhi.

By Air : The nearest airports are in Shivamogga, Hubballi and Bangalore with flights to various destinations nationwide.

By Road : Davangere is 265 km from Bangalore and 145 km from Hubballi, situated on the Pune Bangalore National Highway (NH-48).

ABOUT BAPUJI EDUCATIONAL ASSOCIATION

Bapuji Educational Association (B.E.A.) established in 1958 by a group of dedicated philanthropists was a milestone in the history of Davangere. Before the establishment of this association, there was a little scope for education in general and higher education in particular in Davangere. Being the major educational association, it foresees needs of the rural and semi-urban society with continuous quest for excellence. Today 67 years on, more than 60 institutions in diversified disciplines including Medicine, Dental Sciences, Nursing, Pharmacy, Engineering, Management, Arts, Fine arts, commerce, Education, Humanities, Law, Science & other educational facilities are running successfully under B.E.A.

Dr. Shamanur Shivashankarappa

The association was progressed under the leadership of late **Dr. Shamanur Shivashankarappa,** and his dedicated team of professionals and elite personalities. Apart from this, many great families, donors and lovers of Davangere contributed their services for growth of Bapuji Educational Association. The growth of Bapuji Educational Association and the Davangere city are so identical that the Bapuji Educational Association and Davangere have almost become synonyms. The credit for the success of B.E.A. goes to the late Dr. Shamanur Shivashankarappa who with his vision and initiative propelled the Association to foresee the necessities in the educational field and to start the institutions which have gained their own niche in excellence.

Sri S.S. Mallikarjun

Sri S. S. Mallikarjun, son of the late Dr Shamanur Shivashankarappa and Smt. Parvathamma, is a Commerce graduate of Mysuru University. He is presently the Hon. Secretary of the Bapuji Educational Association and the President of Bapuji Pharmacy College, Davangere. He is a distinguished political leader and a dedicated public servant. He is the elected MLA for the Davangere North constituency, representing the Indian National Congress. Currently, he serves as the Cabinet Minister for Mines & Geology and Horticulture in the Government of Karnataka. Previously, he served as Minister for Horticulture & Agricultural Produce Marketing Committee and as Minister for Youth Affairs & Sports. As a district minister, he constructed several thousand Ashraya houses for the economically weaker people of Davangere. He works diligently for public welfare and is committed to the development of society. His services include the development and growth of sports, including the Tennis Court, International Swimming Pool, and Kundawada Lake in Davangere. Beyond politics, he is a reputed industrialist and educationalist. Through his leadership roles, he has significantly strengthened healthcare access in Davangere and surrounding areas by establishing new facilities, improving accessibility, and ensuring timely medical care for rural communities.

Dr. Prabha Mallikarjun

Dr. Prabha Mallikarjun, Member of Parliament in the Davangere district for the Indian National Congress in 2024 Lok Sabha elections, is an esteemed educationist and philanthropist, hails from Davangere Karnataka. She has dedicated her life to serving community and advocating for the welfare of the people and also embodies the values of service and leadership. Actively involved in social services, business, and political affairs. Dr. Prabha Mallikarjun has played a crucial role in various initiatives, including the introduction of Bapuji Health cards, providing subsidized healthcare for BPL citizens, and spearheading record-breaking achievements in the sugar cane crushing industry. Dr. Prabha Mallikarjun, the voice of the people resonates with hope, progress, and prosperity. Dr. Prabha Mallikarjun is organising various healthcare programmes for the benefit of the society through S.S. Care Trust which is an N.G.O., focused on improving access to healthcare & Medicine.

Dr. R.L. Umashankar

Dr. R. L. Umashankar is a distinguished chemical engineer and industrialist, currently serving as the Managing Director of Lakshman Chemicals DVG Pvt Ltd since 1978. His academic career is internationally recognised. He received his B. Tech. from the Regional Engineering College (REC), Warangal, with a Gold Medal. He completed his M.S. followed by a Doctorate in Engineering Sciences at Columbia University, New York. Before leading Lakshman Chemicals, he served as a Teaching Assistant and Research Assistant at Columbia University, New York. He also served as an Associate in Industrial Research at the Indian Institute of Science, Bengaluru. He received the Best Rural Industry Award from the K.L.N. Foundation and the Vijayshree Award. He is currently the president of Bapuji Educational Association, Davangere, and continues to demonstrate his dedication and foster academic excellence.

ABOUT BAPUJI PHARMACY COLLEGE

Bapuji Pharmacy college started its journey in 1977 with the D.Pharma Course and gradually expanded its offerings. In 1992, the B.Pharma program was introduced, providing students with a comprehensive undergraduate education in pharmacy. In 2000, the college launched the M.Pharma program, allowing students to specialize in industrial pharmacy discipline where as M.Pharma Pharmacology was introduced in 2010. In 2009, Pharma D., a pioneering program in clinical pharmacy, was initiated to produce highly skilled clinical pharmacists capable of delivering patient-centered care.

The college is recognized by Pharmacy Council of India, New Delhi and Government of Karnataka, and affiliated to Rajiv Gandhi University of Health Sciences, Karnataka. D.Pharmacy program offered by the college is affiliated to Board of Examining Authority, Bangalore.

To ensure that students receive a modern and conducive learning environment, the college has invested in a state-of-the-art infrastructure. The campus features cutting-edge facilities, well-equipped laboratories, a library stocked with an extensive collection of pharmaceutical literature, and comfortable classrooms.

Bapuji Pharmacy College is dedicated to excellence in pharmacy education. The institution boasts experienced and dedicated teaching staffs that employ effective educational practices to nurture the talents and skills of its students. With its commitment to quality education, Bapuji Pharmacy College has become a preferred destination for students not only from different states of India but also from various countries. Its international appeal is a testament to the institution's reputation for academic excellence and global relevance.

Bapuji Pharmacy College's dedication to academic excellence is evident in the remarkable achievements of its students. They consistently secure university-level ranks, demonstrating their exceptional understanding of pharmaceutical sciences. Many students also excel in national-level examinations such as Graduate Pharmacy Aptitude Test (GPAT) and the National Institute of Pharmaceutical Education and Research (NIPER) entrance exams. These achievements not only reflect the high standards of education but also serve as a source of pride for the institution.

Bapuji Pharmacy College goes beyond imparting knowledge and skills by actively supporting its students in their Carrer development.

Dr. A.P. Basavarajappa
Director

Dr. G.L. Prabhushankar
Principal

VISION

Commitment to promote the institute as a centre of excellence.

MISSION

To provide quality education, training and research in pharmaceutical sciences to meet the needs of students, pharmacists, pharmaceutical organisations and health care professionals.

OBJECTIVES

- To produce competent Pharmacists with entrepreneurship and innovation skills.
- To create a Model Pharmacy in the institution to strengthen the relation between Public and Pharmacy.
- To educate people regarding Drugs, Drug Products, Health and Population Control.
- To collaborate with National and International Organisations for outstanding Educational / Service / Research Programmes.

ABOUT S.S. HOSPITAL

The hospital is spread over sprawling area of 170 acres of land, covered and surrounded with lush greenery, situated on Bangalore-Pune Road (NH-48). It is focusing on providing students with an environment that helps learning and imbibing positive value system. The hospital has requisite infrastructure and facility to adequately cater the health needs of the society. It's a 1,255 bed strength capacity, tertiary care teaching hospital with advanced facilities and full-fledged individual departments. The hospital is considered as stage 4 referral hospital and a Central Regional Hospital. The hospital has various speciality departments like General Medicine, Obstretrics & Gynecology, Surgery, Oncology, Cardiology (Tie up with Narayana Hridyalaya), Dept. of Pediatrics, Orthopedics (Tie up with Sparsh Hospital), Radiology, Dermatology, Psychiatry, Neurology etc. All diagnostic facilities are available at the central diagnostic laboratory. The hospital has skilled team of doctors under which the Pharm D. students get a good exposure and training in equipping themselves thoroughly with the clinical concepts.

ABOUT DEPARTMENT OF PHARMACY PRACTICE

The department located at the hospital is placed adjacent to the wards for easy access to the doctors and patients and also has a very good professional backup involving dedicated staff, who train, guide and mentor the students to effectively deliver clinical pharmacy services in the hospital.

The Department of Pharmacy Practice is involved in various activities.

- Drug information services
- Patient counseling
- Adverse drug reactions reporting
- Drug / Drug interactions reporting
- Drug dosage adjustments
- Developing formulary

The department has good infrastructure viz. classrooms, seminar hall (equipped with LCD projectors), DIC (Drug Information Centre), advanced library etc., for providing drug information. An advanced and sophisticated UpToDate® Lexidrug™ is utilised.

A glimpse of
